How to Read This Survey

We've compiled the prices from all local funeral homes on a simple spreadsheet. These prices are taken directly from the individually itemized goods and services on the General Price Lists at each funeral home. You have the right to choose only the goods and services you want. So, you can mix and match from the various services offered to fit your taste and budget. Cemetery fees are not covered by this survey; they vary greatly so it pays to shop around.

Arrangements and Overhead: This is the only non-declinable option for a full-service funeral. However, be aware that a charge for arrangements and overhead **is already included** in the prices for Direct Cremation, Direct Burial, the Forwarding and the Receiving of Remains, and **MUST NOT** be added to any of those choices.

Body Removal, Hearse, and Limo: We've shown the least expensive, local charge for each funeral home. Extra mileage costs vary, though, so check.

Embalming: Embalming is **NOT** required by law. Most funeral homes, however, will insist on it if there is to be a public viewing. Be sure to check with the funeral home if you want a private family viewing without embalming; many funeral homes permit this.

Visitation: Funeral homes charge differently for visitation, depending on the time of day or week, or how many hours you pick. We show the cost for four hours; some funeral homes consider four hours a "whole day," while others don't specify how many hours are offered, so be sure to check.

Visitation, Funeral Service, Memorial Service: State regulations require funeral homes to list the charge for staff separately from the charge for the facilities used. We've added the staff and facilities charges together here for your convenience. Funeral homes list a range of prices based on many variables. For consistency, we have shown funeral service charges with a minimal number of staff, with prior visitation, during non-holiday hours, and with the service held at funeral home. Most funeral homes will conduct a funeral off-site as well, and in that case the prices may be different. The price listed for a memorial service assumes no visitation; if visitation is desired, in most cases the funeral service price would be charged. Be sure to ask.

Graveside Service: Price shown applies only when a formal service is held at the gravesite. The law requires the funeral director to be present at the interment, and that charge should be included in the Arrangements and Overhead price. Grave equipment (lowering device, tents, chairs) would be an additional funeral home cost or cemetery charge. Check with the funeral home or cemetery for price specifics.

Total Full Service Funeral: This is a partial cost for a hypothetical full-service funeral, what funeral homes call a "traditional" funeral. It does **NOT** include the cost of the casket / alternative container, vault / grave liner, or cemetery fees. The cost of the casket can be a significant part of the total funeral cost. The funeral director will offer caskets ranging in price from \$1,000 to more than \$30,000.

Casket / Alternative Container: State regulations require funeral homes to give a combined price range for their caskets (ornamented containers, lined, and with handles) and alternative containers (unornamented boxes, unlined, and usually made of fiberboard). This obscures the cost of the cheapest **real** casket, because the lowest price in the range may be for a fiberboard box. It is sometimes impossible to tell how much the cheapest casket actually is. New York State Regulations require funeral homes to offer direct burial and direct cremation with an alternative container—AND, they may **NOT** force consumers to buy a fancier or more costly casket.

How to Read This Survey

Vault / Grave Liner: State regulations require funeral homes to give a price range for an outer burial container that most cemeteries require. Generally, funeral homes list a range for the ornate, often sealed containers called “vaults”; some, however, listed the cost of a much cheaper outer burial container known simply as a concrete grave liner.

Direct Cremation: Direct cremation is simply cremation without visitation or a service at the funeral home. It includes picking up the body, completing the necessary paperwork, and transporting the body to the crematory. The price for direct cremation includes the alternative container, however, you may supply your own and deduct the cost of the container. Direct cremation **does not include** the actual crematory fee.

Direct Burial: Direct burial is simply a burial without visitation or a service at the funeral home. It includes picking up the body, completing the necessary paperwork, and delivering the body to the cemetery. The price for direct burial includes the alternative container, however, you may supply your own and deduct the cost of the container. The price **does not include** cemetery expenses, such as the cost of the grave, the digging of the grave, a vault, or a marker.

Anatomical Gift: This is the donation of one's entire body to a Medical Center for education and research. The donor must be registered with the facility prior to death, and meet certain eligibility requirements at time of death. The Medical Center will provide all arrangements free of charge if death occurs in a nursing home or hospital within Monroe County, and in all cases they will cremate the donated body and return the ashes to the family without charge. If death occurs at other locations, a funeral home must be used; prices shown include pick up of the body, preparation, and delivery to the Medical Center. There may be additional charges for mileage beyond a certain radius specified by the funeral home.

Forwarding Remains to Another Funeral Home: If the body is to be shipped a long distance, or to a handful of states that require embalming for shipped bodies, you may need to **add the cost** of embalming to the price of Forwarding Remains.

Topical Disinfection: Might be used if a body is not to be embalmed, or for informal family viewing. Most price lists used in this survey disclose that this service is optional. You may, in fact, refuse to pay for this item if it is done without your specific permission.
